N/A, Kihei, HI

This single-level, two bedroom, one-and-a-half-bath home is built with durable CMU block construction, providing easy maintenance, a clean aesthetic and a solid foundation. The existing floor plan allows for an easy addition of a third bedroom, with plenty of potential for future expansion, including an ohana. A covered carport offers sheltered parking, with additional space available in the front of the property. The large, fully fenced backyard is lined with a mock orange hedge and shaded by a mature Monkey Pod tree. The property also features a variety of fruit trees, including mango, coconut, and dragon fruit, along with a well-established plumeria tree that enhances the tropical landscape. Located in North Kihei, this home is just minutes from South Maui's beaches and a short drive to Kahului and the North Shore. With no HOA restrictions, the property offers flexibility for expansion or the potential for CPR.
