Wailea Kialoa, Wailea/Makena, HI

Where the Pacific breeze meets elevated living, 164 W Ikea Moku stands as a statement of timeless design and effortless island luxury. Positioned at the end of a quiet cul-de-sac within the revered gated enclave of Wailea Kialoa, this gracious 3-bedroom, 3.5-bathroom residence spans 3,810 square feet and offers an extraordinary sense of privacy, beauty, and refinement. From the moment you arrive, a sense of grandeur is unmistakable. Double eight-foot solid mahogany doors, accented with etched glass depicting a lush tropical landscape, open into a dramatic circular stairwell crowned by a spectacular specimen of round variegated Italian marble. A curved glass window reveals palms dancing in the ocean breeze, offering a graceful first impression of the views beyond. Soaring vaulted ceilings and walls of glass invite natural light to cascade through the home, highlighting exquisite details at every turn. Bias-set travertine floors and polished marble finishes reflect sophistication and ease, while the open-concept living room, dining area, and primary suite are perfectly placed to capture soft ocean vistas and tranquil greenbelt views. The kitchen is both a work of art and a chef's delight, anchored by a center island with built-in drawer microwave, double-drawer Fisher Paykel dishwasher and surrounded by rich granite counters and a Turkish travertine backsplash accented with pewter insets. SubZero and Viking stainless steel appliances elevate the culinary experience, while custom

cabinetry in book-matched African Sapele mahogany adds a sense of warmth and artisanal luxury. Adjacent to the great room, a new custom wet bar adorned with a harlequin-patterned Carrera marble and brass tile backsplash becomes a showpiece for entertaining. The generous primary suite on the main level is a retreat unto itself, with ocean views, a spa-inspired en-suite bath, and an expansive walk-in closet. An adjacent office area offers an inspiring space for work or reflection. Downstairs, a second luxurious bar area opens to the spacious poolside family room, creating an effortless indoor-outdoor lifestyle ideal for relaxing or hosting guests. Two guest suites offer comfort and privacy, including one with direct pool access and a lavish en-suite bath. A spa-like Turkish hammam features floor-to-ceiling travertine tile and a rainfall shower plus body-sprays, evoking the ambiance of a private retreat. The recently reimagined pool and spa area feels like a boutique resort, with a built-in BBQ and wet bar clad in Taj Mahal Quartzite and surrounded by lush landscaping. Whether dining alfresco, lounging by the water, or soaking beneath the stars, this outdoor living space is designed to elevate every moment. Additional highlights include a new laundry room finished in Carrera marble subway tile with warm mahogany cabinetry, a three-zone central air conditioning system, a Monier tiled roof, and a quartzite entry path that completes the home's polished presentation. 164 W Ikea Moku is more than a residence. It is a reflection of Maui's finest indoor-outdoor lifestyle, offering privacy, artistry, and elegance in one of Wailea's most treasured communities.
