ocean & beach front location. Perhaps the
finest condominium residence in Hawaii, no
expense was spared to set this exclusive Maui
home apart. Unsurpassed world class views,
from iconic Polo Beach and the Makena
coastline, to the vast Pacific and offshore
islands, and north to the Kihei & Maalaea
coastlines. Just steps to the ocean and
beach, and to the many fine restaurants and
other amenities of the incomparable Wailea
Resort. The interior of residence 1602 sets
the standard for quality; totally remodeled by
acclaimed builder Shawn Connors. Only the
finest materials, fixtures, finishes and
furnishings were used, creating an exquisite,
luxurious environment. The custom, state of
the art kitchen makes entertaining a pleasure.

primary bath. Parking for two vehicles • plus
a golf cart - is easy in the oversized double
garage. This single-level •
residence occupies the entire top floor of the
building, and sits 36 feet above the ocean.
The changing weather, the ocean currents,
activities on Polo Beach, the pedestrians on
the oceanfront path that sits well below the
home • all provide occupants with an
ongoing, fascinating drama of change and
shear beauty. Wailea Point may be the most
private and peaceful of any condominium

environment. There is both gated and roving, round-the-clock security patrols. The very design of the property - with just over 4 units per acre - ensures privacy and tranquility for every residence. The exceptionally maintained property has 2 pavilions for entertaining, 4 swimming pools - including a 25-meter lap pool, hot tubs, an excellent fitness room, and lighted tennis & pickleball courts. Edible landscaping includes avocados, oranges, tangerines, limes, pomelos, papaya, breadfruit, bananas, and an extensive herb garden. Wailea Point encompasses nearly 30 acres of beautifully manicured grounds â€” including the famed Bud Wagner Memorial Native Hawaiian garden.
