Residential on 2.19 Acres

Huelo, Haiku, HI

Nestled on over two acres of lush, gated land along Maui's pristine North Shore, this exceptional estate offers the rarest kind of privacy—bordered by protected conservation land and immersed in native jungle, flowering gardens, and panoramic views that redefine serenity. From the moment you arrive, you're greeted with sweeping vistas of the Pacific Ocean, the dramatic Keʻanae and Hana peninsulas, and a breathtaking 400-foot waterfall cascading across a verdant valley—a visual masterpiece from every angle. Crafted with an artist's vision and a craftsman's touch, the main 4-bedroom, 3-bath residence spans 3,600 square feet and is constructed from an extraordinary collection of exotic and sustainable materials: solid Koa, Mango, Ohia, Mahogany, Teak, Cedar, Maple, and Ipe woods are masterfully combined with Venetian plaster, Turkish travertine, golden onyx, metallic-flecked quartzite, and hand-selected granites. The result is a warm and timeless living space that blurs the line between architecture and nature. Large picture windows and sliding doors bathe the home in natural light, inviting the outdoors in and allowing you to fully embrace the island's indoor-outdoor lifestyle. The chef's kitchen is outfitted with a Gaggenau gas cooktop, Sub-Zero refrigerator, and custom cabinetry. For ultimate flexibility, choose between a spacious main-level primary suite or a detached, cliffside master retreat—each offering total privacy and

spellbinding ocean views. Additional estate structures include a detached 847 sq ft yoga studio or gym, complete with rock maple floors, clear cedar walls, a cedar sauna, and integrated audio-visual systems—ideal for wellness, movement, or creative work. A charming, fully detached 519 sq ft one-bedroom ohana cottage with its own bath, set amidst fragrant tropical landscaping and offering intimate views of the cascading waterfall and its series of natural pools. A two-car garage and multiple other permitted structures ideal for agriculture, art, or guest accommodations. The grounds are a tropical wonderland including 280 trees, including breadfruit, starfruit, cinnamon, bananas, citrus, papaya, puakenikeni, magnolia, royal poinciana, vanilla, and seven mature rainbow eucalyptus trees—offering both beauty and abundance. Native palms and flowering trees like paperbark and banyan add to the canopy of shade and tranquility. This agriculturally zoned property is also fully equipped for self-sufficiency, with its own private well, fiber optic connectivity, and an owned photovoltaic (PV) solar energy system, ensuring both sustainability and modern convenience. Whether you’re drawn to its peaceful retreat-like atmosphere, its rich botanical surroundings, or the unmatched craftsmanship of its design, this is a truly singular Maui estate—offering a lifestyle that honors nature, elevates luxury, and nourishes the soul. Total under-roof square footage, including all structures, is approximately 7,453 sq.ft.
