Lahaina Roads, Lahaina, HI

Welcome to Unit #408 at Lahaina Roads, a rare oceanfront retreat nestled along the shoreline just minutes from the historic heart of Lahaina Town. This fee-simple 1-bedroom, 1-bath condominium offers a front-row seat to one of the most breathtaking views on Maui — where year-round sunsets, breaching humpbacks in the winter, and the gentle rhythm of the waves create a peaceful getaway that feels worlds away. Located on the fourth floor of this intimate, low-rise complex, Unit #408 offers the ideal balance of comfort and island charm. Inside, you'll find a spacious living area filled with natural light, cooled by ocean breezes, and framed by floor-to-ceiling sliding glass doors that open directly onto your private lanai. Whether you're sipping morning coffee or unwinding at sunset, the unobstructed ocean view is truly spectacular. The unit features a well-equipped kitchen, generous bedroom, and ample storage, making it perfect for full-time living, a second home, or an income-generating vacation rental. Lahaina Roads is one of the few truly oceanfront condominium communities in West Maui. Residents enjoy an oceanfront swimming pool, BBQ area, covered parking, and elevator access — all within a relaxed, boutique-style setting that feels like old Hawaii. While Lahaina Roads itself was spared from the worst of the August 2023 wildfires, many of the surrounding homes and neighborhoods were not as fortunate. In the aftermath, Lahaina Roads has undergone

thoughtful upgrades and improvements, reinforcing its resilience and long-term value. As Lahaina moves forward on its path of healing and renewal, this oceanfront community offers a tranquil retreat with sweeping ocean views and a deepened sense of connection – all while providing convenient access to the natural beauty and outdoor experiences that make West Maui so special. If you're looking for a true oceanfront escape with timeless views and the sound of the sea at your doorstep, Lahaina Roads #408 delivers the Maui lifestyle you've been dreaming of. Bonus: The seller may consider seller financing, making this an even more attractive opportunity for the right buyer.
