Submerge yourself into nature and drop down (literally) into paradise at this incredible 3-acre property. There is so much more than meets the eye here. Feel the mana as you descend the switchback trail into sacred grounds and find 2 dwellings, and several other "jungelows" and out buildings. A tropical breeze swirls around in this valley, keeping it cool and climate friendly. You are completely surrounded by greenery and there is a flowing stream that separates the 2 dwellings nicely.
