Property is a flag lot with approximately 11,025 sf of land. It appears a large capacity septic tank is in place and recently installed roof on both the main and cottage. The improvements need some upgrades, so now is the time to put your personal added touches to make it your home. Most of the property has concrete to accommodate extra cars. Close to the Pukalani Shopping Center and county pool and recreation center. A must see, looks better in person.
