Door of Faith, Haiku, HI

Nestled below the legendary Road to Hana at the top of Door of Faith, this seven plus acre North Shore sanctuary is more than property—it is living land, shaped by decades of vision and aloha. Rain-kissed and abundantly green, it balances wild jungle with hand-tended gardens, where every corner tells a story. Wander through groves of palms, ti, and ginger, past shimmering ponds alive with water plants and fish. Meandering paths invite exploration and reflection, while hearing the sound of the ocean carried on the trade winds. At the top of the property, the main home welcomes with open-beam ceilings, light-filled spaces, and a wraparound lanai framing ocean views. A loft above serves as a studio, meditation, or office, while the lower level - with its own entrance - offers privacy for guests. Across the lower acreage, additional structures are thoughtfully tucked into the landscape, each with its own sense of seclusion, shaped by the contours of the land. Long cherished as gathering spaces for family and friends, they carry forward the spirit of North Shore community. Here, the land itself is the star—vibrant, soulful, and aloha. Minutes from Paia and Haiku, yet worlds apart, this Huelo hideaway is ready for its next steward.
