Residential on 2.79 Acres

N/A, Lahaina, HI

Perched high above Launiupoko, this 2-bedroom, 3-bath architectural masterpiece by Greg Skog captures sweeping ocean and mountain views and embodies Maui's effortless indoor-outdoor lifestyle. The single-level, 994 sq. ft. home—with no stairs—features an open-concept chef's kitchen with marble countertops, premium appliances, and seamless flow into the great room. Expansive folding glass doors open completely to the lanai and infinity-edge pool, where the horizon and sea become one. Wake up in the primary suite overlooking the ocean and watch the morning sky reflected in the still water of the pool. Spend evenings soaking under the stars in the hot tub or grilling at the built-in barbecue with a glass of wine from the outdoor fridge. Over 700 sq. ft. of covered lanai space invites both relaxation and connection to Maui's natural beauty. A detached garage with a flex room, bath, and laundry connects by breezeway, offering versatility for guests or workspace. The property has never been CPR'd, giving the next owner the option to subdivide and build a main home, or preserve the serene privacy of this retreat. Thoughtfully carved into the hillside, it's naturally sheltered from wind and designed for lasting stability. Private, refined, and effortlessly livable—this is Launiupoko at its best.
