Set against a lush backdrop of tropical landscaping, this beautifully renovated property offers the perfect blend of island luxury, comfort, and versatility. Situated on nearly one acre, the main home and detached 2-bedroom, 1-bath ohana enjoy sweeping ocean views, sunrise and moonrise vistas, and the tranquility of indoor/outdoor living from the expansive wraparound covered lanai – the ideal spot to watch whales breach and ships sail by. The main residence was thoughtfully renovated in 2018, showcasing vaulted open-beam ceilings, upgraded lighting fixtures, Australian eucalyptus wood and travertine flooring, and abundant windows that bathe the interiors in natural light. The gourmet kitchen is a chef’s dream, featuring granite countertops, soft-close cherry wood cabinetry, and top-of-the-line Viking stainless steel appliances, including a custom panel side-by-side refrigerator, gas stove with hood, built-in microwave, convection oven, and a separate pantry. The spa-inspired bathrooms offer marble countertops, river rock and mosaic tile shower floors, and a soaking tub in the primary suite – perfect for unwinding after a day in paradise. Additional upgrades include a new roof, windows, and doors (2018), and updated electrical and plumbing systems and interior and exterior paint (2020). Downstairs, a bonus finished basement adds versatility with a full bath, wet bar, and concrete-stained flooring – ideal as a media room, game room or home office. The main

home has hot water on demand from its propane tankless water heater. The detached ohana, renovated in 2022, features 2 bedrooms, 1 bath, a 1-car carport, vinyl plank flooring, updated kitchen cabinets, countertops, and appliances. Thoughtfully positioned to allow for privacy, itâ€™s a perfect income opportunity, guest space, or multigenerational living option. The property has two county water meters and two electric meters.
