1 Bedroom, 1.00 Bathroom, 901 sqft
Residential on 37.90 Acres

Masters, Kaanapali, HI

This lovely ground floor level, 1 bedroom, 1 bath unit features spectacular ocean views, location, and a wonderful opportunity for the buyers who may have pets. The sellers have renovated the shower as well as tiling the lanais, and made good use of the space they have enjoyed since 2020. There is also a storage closet on the lanais, as well as a hose bit, for ease of BBQ, and enjoying the outdoor life we all get to love in Kaanapali. The Masters features wonderful, spacious floor plans, which are accented by the fantastic ocean and outer island views, as well as mature tropical landscaping. There is a nice strip of lawn in front of the unit, and a short hedge, which blocks off the road/driveway view below, and allows for fantastic, panoramic, crystal- clear ocean vistas, stretching from the Islands of Lanai, to Molokai. The Masters sits on the Royal Kaanapali Golf course, allowing for a lush blanket of greenery, which is enhanced by the fantastic landscaping of the project. Most fortunate folks that own on the ground level, do so because of the pet allowance, and ease of access, for your favorite kitties, and dogs. This majestic property features 2 phases of construction, with the first phase being completed in 1987 and the second in 1989. The buildings are concrete, with double wall treated wood, and shake roofing. The project includes 198 units in 34 buildings, spread over beautifully landscaped 37.54 acres. The Masters has 2 sets of swimming pools, in

which you can actually swim laps, and wonderful heated spas, tennis courts, and a citrus grove, for your margarita, or lemonade enjoyment. This is an owner-occupied unit, so showings are easily arranged with short notice. The sellers will be moving offsite, so the unit will be ready to be occupied as soon as possible.
