This large, custom built executive home blends stately features and tropical paradise perfectly. From the copper rain gutters, to the Peggy Hopper stained glass entry door, there are unique features throughout this Stephen Pitt designed European style villa. Surrounded with Hawaiian foliage and verdant land, the home sits on 1.25 level, usable acres and overlooks a large lawn. Fully fenced pasture. The stucco exterior and imperial plaster interior keep the home cool in the summer and the 2 stacked wood burning fireplaces keep it warm on those chilly winter evenings. Travertine flooring runs throughout most of the downstairs and a well-appointed kitchen contains an eating nook and 3 sinks for your convenience. Close to world famous Hookipa Beach, Mama's Fish House, private and public schools. Septic has already been installed. Come and see this truly amazing, one-of-a-kind north shore gem.
