"Oh my goodness" is what everybody says when they walk into the living room of this home. The view is so big it takes 5 photos to show it! Truly one of the best views in any home on Maui and completely private. This three bedroom three bath home is incredibly well constructed. The custom design and architecture make this home truly unique, featuring a large open kitchen and great room concept, a big lanai, fabulous master suite plus a family room, and a great space for an office or studio. Two car garage plus a two car carport and several fruit trees in the front yard. The top floor has air conditioning. Just a few minutes walk to some of Maui's best beaches.
