This enchanted property is nestled in a secluded valley of Molokai with state land on three sides offering the ultimate in privacy. The main house and ohana enjoy an open floor plan keeping with the traditional plantation architecture. The master suite occupies the entire upper floor with stunning ocean views from all windows in the house! All of the structures on the property including the 12 x 40 foot in-ground swimming pool are Solar Powered... (no electric bill !!)... the property includes a diverse range of ecosystems within its 7.6 acres, including a tropical forest, a creek bed, a fruit orchard, open pasture for animals, and a landscaped area around the main house. The Barn and Ohana are set away from the Main House allowing them their own privacy. The Barn is so sweet... perfect setting for an Artist Studio... Yoga Room... Workout Room... endless possibilities. The Ohana is set close to the entrance of the property offering a great location for Caretakers or guest. This is truly a Legacy property not to be missed with a history dating back to Cattle Ranchers then an Avocado Farm in the 70's and 80's... and most recent before the Current Owners a well know Artist occupied the property creating beautiful art pieces and portraits of local residents while they "talked story" in the barn.
