4 Bedroom, 3.00 Bathroom, 2,939 sqft

Residential on 0.25 Acres

Pukalani Highlands, Pukalani, HI

Spacious custom built and beautifully designed 2,939 sqft. home in the highly desired Pukalani Highlands Subdivision. The interior living room features an elegant staircase with an impressively high ceiling with many windows bringing in the natural light. The primary suite with a luxury bathroom is located on the upper level along with 2 guests bedrooms and another full bathroom. There's a large family room adjacent to the primary room which is perfect for an office, hobby room or tv sitting room. On the 1st level you will find a large kitchen, dining area, guest bedroom and a third full bathroom, living room, and the enclosed garage. There's several storage units on the property and a large greenhouse that is ideal for plant lovers that like to grow orchids and anthuriums or any type of plant that thrives in a greenhouse environment. The lot is enclosed on 3 sides by a nicely built blue rock wall. In addition there is central air conditioning, security system, 20 photovoltaic (owned panels) with solar hot water heating, and a low maintenance yard with irrigation.
