First time ever on the market, this exceptionally crafted, fully custom home is a mere 1000 feet from world-famous Keawakapu Beach, one of the finest sandy beaches in all of Hawaii. Designed with entertaining in mind, this island-style farmhouse has an open floor plan with a seamless indoor-outdoor flow into the 450 sf of covered lanai space. Soaring 10-ft tongue & groove ceilings keep the interiors light, bright, and airy. The fully-stocked chef's kitchen features dual sinks, two ovens, a Wolf gas range, and a generous pantry. Hardwood floors, all custom wood cabinetry and built-ins are just a handful of the charming details. The primary suite is also located on the main floor with ground level access and the ensuite bath features both a claw foot tub and walk-in shower. The beautifully carved staircase leads to three more spacious bedrooms and another full bath. The home has central air conditioning and the spacious 768 sf garage has its own split-system AC unit for additional climate-controlled storage.
