3 Bedroom, 3.00 Bathroom, 2,006 sqft

Residential on 0.17 Acres

N/A, Lahaina, HI

Wonderfully located family home in the heart of Lahaina Town. Around the corner from Baby Beach, one of the best shallow, warm water sandy beaches in the area. Situated just a short walk to downtown. Close proximity to world class dining, art galleries, shopping, the glorious West Maui Mountains, and some of the best surf and diving spots on the planet. Must see to appreciate the possibilities. This recently painted interior, single story residential home, is zoned to allow for a second story, and/or possibly a 600 sq. ft. cottage. The back yard may be large enough for a nice pool. The green velvet lawn and many tropical plantings, are complimented by a Plantation-Style covered lanai, ideal for BBQ, and outdoor dining area. The Main Suite has a good open floor plan. The Main bath is large, separate shower and spa tub, airy and bright. The other 2 bedrooms are on the opposite side of the home, and enjoy privacy, and comfort of their own. The kitchen and dining room are open to the great room and living area. A warm space for family meals and holiday gatherings. Central air option makes for great Lahaina living. Square footage doesn't match the County Records. Buyer to do their own diligence.

Built in 1997
