Exquisitely handcrafted Indonesian hardwood meets contemporary tropical design to create an oasis of serenity on Molokai's west end. This custom designed masterpiece showcases sustainable Merbau wood with exposed beam cathedral ceilings, elegant floors, custom designed cabinetry, solid doors, framed windows and screens. Custom lighting fixtures, intricate hand carved stair details, and stainless-steel hardware reflect quality throughout. Expansive covered lanais create outdoor ocean view living areas. Two spacious bedroom suites offer single level living or upstairs privacy. Sliding louvered doors reveal a large office with an 8' natural slab Suar desk. The queen size punee (Hawaiian daybed) expands sleeping options. An open concept kitchen, great room and dining room enjoy views of the ocean and tropical landscape. Quality appliances include an induction stovetop in the oversized granite peninsula. AC in the main living area cools the house when needed. The spa-like outdoor shower is perfect after a short stroll to Papohaku, Kaiaka Rock, Kepuhi or Make Horse beaches. Built in 2018, Bangkirai hardwood frames and underlays frame the home. Truly a work of art!
