Residential on 2.22 Acres

Lloyd Subdivision, Makawao/Olinda/Haliimaile,
HI

Step into a two-acre property surrounded by open acreage, horses, and 100yr old trees, an area known so highly for housing ranch managers who watched over Haleakala ranch land back in the day. These locations were known as being "prime" for bi-coastal views, wide open spaces, and ideal locations for amenities. Quietly and ideally located behind Seabury School, this property presents a very special home for those that can see the history and the future of this amazing location and up-country paniolo community. At this 2000 ft elevation, comfortable temperatures meet intoxicating South and West Maui territorial and ocean views. Dickey-styled single-level ranch home with sprawling rooms all accessible privately or through the meandering grand screened-in lanai. Two fireplaces and four to five bedrooms with connecting doors and bathrooms. The home presents a snapshot of days gone by, of how Maui used to be, with a touch of how it is today. The kitchen is wide open, ready for the next meal or for an inspiring decorator to redesign. Each room presents a comfortable story or a vision of re-creation, either way, it's a good home, with a great location.
