OMG!! I want this house. Once you get past the jaw dropping panoramic views you can't help but appreciate the 2017 top to bottom remodel, nothing was spared. All new Wolf appliances, custom African Mahogany cabinets, leathered granite counter tops features a designer kitchen layout you would be proud to serve your guests from. But the focal point is truly the remarkable view seen from virtually every room in the house. Outdoor lanais both upstairs and down capture the beautiful tranquility of this home with stone, water and fire features. A large over sized pool that includes a lap layout for exercise possibilities. A private hot tub to star gaze from. Once you are here you won't want to leave and there is no reason too, a complete home, a Wailea sanctuary. Heleuma Place is a private gated cul-de-sac further ensuring a tranquil setting.
