5 Bedroom, 4.50 Bathroom, 2,887 sqft
Residential on 7.19 Acres

N/A, Kula/Ulupalakua/Kanaio, HI

This pastoral upper Kula estate was once the home and sanctuary of Princess Abigail Kapi'olani Kawanānākoa and Senator Harry Field for many years. This private estate was their treasured home, where guests from across the islands would gather to sing, laugh, cook, and dine before retiring to one of the three comfortable cottages that still line the property today. The "Haleakala Princess Estate" is a true slice of island heritage that's capped with modern comforts after tasteful renovations and upgrades completed by subsequent caring owners. Wake to sweeping, bi-coastal views from the exquisite, 3-bedroom main home, where an outdoor hot tub and interior heating compliment the crisp morning air. An outdoor kitchen and BBQ grill create an unparalleled hosting experience in a setting no guest will forget, where multiple waterfalls cascade over lava rocks and bring a touch of rainforest to the country. Stroll across the acreage to pick citrus and avocado, and since the property borders Haleakala Ranch, those same views that were fit for royalty have remained unchanged for decades. Sale includes three adjacent parcels each with their own county water meter. Contact your Broker to learn more about this once-in-a-lifetime opportunity to acquire this historic legacy estate.
