1 Bedroom, 1.00 Bathroom, 1,032 sqft
Residential on 2.00 Acres

N/A, Haiku, HI

Two acres of rich, green land with a 2 bedroom cottage in beautiful Haiku. This is not a drive-by Listing. The value of this property is in the land and the cottage. The cottage is occupied by Tenants who also do a great job maintaining part of the property. The lot has fruit trees including Mango, Breadfruit, Limes, and avocado. There are Hibiscus and Puakenikeni trees in bloom. The cottage needs a little TLC but, the location of the cottage provides privacy and space. The covered porch draws you outside to relax and enjoy the cool climate and beauty that surrounds. There are so many possibilities with this property. The main home is still on tax records but is no longer in a livable condition. Boundary outlines in photo are approximate, and must be verified with a survey. Shown By appointment only.
