3 Bedroom, 2.00 Bathroom, 1,200 sqft
Residential on 0.19 Acres

Waiehu Heights, Wailuku, HI

Welcome to 911 Lekeona Loop where all you need to do is move in & enjoy. Renovated in 2023 featuring a brand new kitchen, brand new bathrooms, and brand new flooring throughout. “Bo-ho Chic” was the theme of the renovation which was expertly executed. Beautiful white oak wood-like laminate flooring connects living to dining to kitchen and down the hallway to the bedrooms. The white walls, ceiling, and trim help bring a modernity to the space. The vaulted ceiling in the main living/kitchen space bring airiness and feeling of grandeur to the home. Both bathrooms were completely renovated (primary in 2022 and second bath in 2023). Each bedroom has brand new carpet (installed in July 2023). There is a huge 4 car carport where you can fit two cars tandem on each side of the port. At the back of the carport is built-in storage. The side yard has a concrete pad that is just calling for a sunshade or gazebo. The backyard features a terraced space, perfect for a beautiful garden. The front yard offers stunning views of the West Maui Mountains and a large, flat, grassy area perfect for the keiki. The roof was replaced in 2019. Seriously, what more is there to do besides pack your bags and move in? Do you love the décor? Me too. Furnishings are negotiable so call your favorite Realtor to help you work through all the details.
