Residential on 2.00 Acres

Kawela Planation, Molokai, HI

This house sits on one to the Most Beautiful lots in Kawela Planation!! The endless views see Maui, Kaho'olawe, Lanai, west side of Molokai and on a clear day the Big Island. Sitting on this wonder lanai for about 6 months out of the year you can see the sunset over the ocean with different colors every night. During the winter months you can see the Humpback Whales breaching in the channel between Molokai and Lanai. The Views Are Amazing from this house perched up on a hillside. The house is about 2092 square feel with an underneath section that is great for storage or turn into more house. There is also a separate covered carport that could just make a nice gazebo and build an enclosed garage. The home has a few unfinished projects that are needed to be done. But all and all, this house has so much going for it!!!!!!
