Southpointe at Waiakoa, Kihei, HI

At Southpointe, your living experience is defined by the location -- this ground floor unit is in a premium venue, in the quietest part of the complex, with a view of single-family homes (not condos) out the front and a green-belt abutting the fenced back yard. The fenced back yard has been finished off with an elevating deck and a large storage shed, and beautifully tended greenery. Evident pride of ownership abounds in this owner-occupied residence, which was completely redone in 2016 had has been meticulously maintained. Beautiful, low maintenance concrete floors present a contemporary appearance, or are level and ready for your alternative choice. Owners are open to selling turnkey with all furnishings. Clean, neat and super functional condo in a pet-friendly complex close to the beach.
