Residential on 0.23 Acres

Loke Hale, Kihei, HI

Great location with a 2-bedroom 2 bath condo looking straight out to capture amazing ocean & sunset views along with outer islands, West Maui and south shore views too! Entering the condo, you feel like you just came home with living, dining and kitchen area enjoying direct ocean views and access to the covered lanai. The kitchen has a good work flow with lots of counter space & cabinets and a window over the sink, recessed lighting and bar seating. The primary bedroom also has ocean views, large closet and ensuite bath with double sinks and walk-in shower. The second bedroom is good size and bath adjoining with tub/shower. The condo has lots of windows and good air flow, coffered ceilings throughout, washer/dryer and off-street parking. A big bonus is a very large private basement storage unit with easy access to keep surf & paddle boards etc. There is access in front to get to the water and conveniently situated between Cove Park (2 lots away) or south to Charlie Young Beach! Loke Hale is a very well-maintained smaller complex with 4 condos designed by Hans Riecke and a quiet setting with no vacation rentals allowed. Desirable location and close to stores, restaurants and shopping! It's hard to find an oceanfront condo like this one!
