Residential on 0.50 Acres

N/A, Kula/Ulupalakua/Kanaio, HI

Idyllic Kula setting along a country road and backing up to pasture land, this 5 bedroom, 3.5 bathroom home is thoughtfully situated on the property with a large back yard to entertain and enjoy the ocean and mountain views. The well-manicured vegetation, jacaranda trees, palms, and bamboo bring you close to nature. Inside there's a lovely kitchen with bright white cabinets, where natural lighting complements the handsome wood flooring. The floor plan features 4 bedrooms on the main level, along with a bonus area that functions as an additional living room or play area. Two of the rooms can be accessed by a patio slider that can serve as an additional entrance. The upstairs primary bedroom provides a place to get away, admire the ocean and Haleakala views, and soak in the bathtub. The utility shed and two car garage are great for storage and projects. Adventure awaits, with a rock climbing wall in the front yard, and hiking and biking trails on Haleakala are nearby.
