This is a unique opportunity that makes owning a vacation home in Hawaii affordable! Own the month of July each year in a beachfront condo on Maui's Maalaea Harbor. Why buy an entire condo that you will only use for a fraction of the year when you can just own a fraction of a condo instead? This beautiful one bed, one bath unit is jointly owned by seven partners each of whom use it for designated months each year. It cannot be used as a rental property - this unit is for the exclusive use of its seven owner/partners and friends. You will only be responsible for utilities, maintenance and HOA fees for August each year! This is a great way to own a piece of paradise.
