Imagine the possibilities of this expansive 2.28 acre corner lot on a quiet country lane in the desirable Haiku Mauka neighborhood. This recently remodeled three bedroom, two bath main home and a detached 2 bedroom, two bath second home features ocean views in a park-like setting. A bright red door and colorful entryway welcomes you to the main house at 177 Laenani Street. An expansive open concept floor plan with vaulted ceiling in the living and dining rooms feature a wall of windows and La Cantina tri-fold doors out to the 448 square foot covered lanai. From the lanai enjoy lush landscape, ocean and beautiful sunset views year-round, with operable floor to ceiling windows on the windward side to only allow the gentle trade winds through, and a stainless steel cable railing to allow unobstructed views towards the ocean. The walls of the lanai and entryway are clad with Shou Sugi Ban style burnt pine. Opening to the living and dining areas, the large kitchen has quartz countertops and black Fireclay farmhouse sink, eye-catching tile back splash with maple accents, and the centerpiece, an eight foot long island with prep sink, storage and seating. A newer GE fridge and Kenmore Pro appliances are all stainless steel, and a roomy pantry rounds out the storage options. Off the kitchen is an additional seating or home office space. The spacious master bedroom has a walk-in closet, room for a home office, and an exercise area with large sliding glass door to the lanai. The

master bathroom features a long vanity with double sink and ample storage, and a roomy shower with large format tile and bench. Rounding out the main house are two additional light-filled bedrooms and full guest bathroom with tub and wainscoting. The garage has been converted to an art studio, and also contains the laundry and newer heat pump water heater. With its' own driveway, the second home "ohana" at 134 Uakoko Place consists of two bedrooms and two full baths and is currently a rental. A great room with vaulted ceiling consisting of kitchen, sitting, living and dining areas opens via a glass double door to an impressive wrap-around covered lanai. The hallway leads to the guest bathroom, guest bedroom, and spacious master en suite with vaulted ceiling and a home office that opens to the lanai. Laundry and newer heat pump water heater are located in the attached two car garage. The grounds feature a large fenced pasture, multiple fruit trees and other mature landscaping and flower beds, a large storage shed, and for horse lovers, a two-stall horse shed, all in close proximity to the Tom Morrow equestrian center and Fourth Marine Division Park. Only 25 minutes to the airport and downtown Kahului, a short drive to Makawao and Haiku town and the famed North Shore beaches of Baldwin Beach Park and Ho'okipa, this unique property on the drier side of Haiku offers so many opportunities and is not to be missed!
