An impressive private backyard lagoon is the centerpiece of the property, featuring a stunning rock waterfall, fast waterslide, heated pool and a spa hot tub with secluded grotto. The Komodo Dragon Hale is a half-acre Hawaiian haven offering an exclusive island-style living experience that is designed to make you feel like you're on vacation every day! Discreetly, yet conveniently nestled in the renowned Maui Meadows community on a corner lot, this custom-built house and cottage are tucked away beyond high-set, hand-laid lava-rock walls that span the perimeter of the property. At the cornerstone of the lot, two charming Komodo dragon statues welcome visitors and set a welcoming vibe of tranquility and relaxation. As you enter into the main home, the immersive sound of the waterfall will transport you to your own personal, tropical oasis. Indoor / outdoor living flows seamlessly from the main living room space, complete with bar room and a conveniently located half-bathroom. The kitchen offers sleek finishes such as a monkeypod breakfast bar, concrete countertops, teak & mango custom cabinetry and a walk-in pantry. The expansive floor plan offers options for flexible multi-generational living. Adjacent to the main residence on the opposite side of the pool lies a detached Ohana - a charming one-bedroom, one-bathroom detached single family residence that mirrors the main house's

opulence and charm. For your comfort, both the main home and cottage are equipped with air conditioning systems and Aircscape whole home fans, ensuring a pleasant climate throughout the year. Owned solar PV panels and three back-up batteries allow for energy efficiency and reduced electric bills.
