Welcome to 1053 Oka Kope, a brand-new estate (main home has never been lived in) that redefines luxury living on Maui. Situated within the award-winning Maui Grown Coffee Plantation, this exclusive property offers breathtaking beauty, meticulous craftsmanship, and an unparalleled lifestyle. Spanning 8 acres on the premier lot in Kaanapali Coffee Farms, this home is a sanctuary of privacy, tranquility, and timeless elegance. Unmatched Craftsmanship and Design Built in 2022 by a commercial builder for his personal residence, this home showcases the pinnacle of construction standards. From the raised foundation with a 3-foot stem wall to the 4x8 rafters and 8x8 posts crafted from pre-primed Windsor One treated Douglas fir, every element is designed for longevity and quality. The 5/8th-inch Hardie board siding and Kapalua blue lava rock walls (valued at over \$500,000) add both durability and striking visual appeal. Inside, the artistry continues with imported Italian travertine stone floors with granite diamond accents, Venetian plaster walls, and African mahogany sapele wood trim. The coffered and lighted ceilings enhance the elegance, while custom granite countertops inlaid with petrified wood in resin make a bold design statement. The gourmet kitchen is a chef's paradise, featuring

quartzite countertops, a Wolf 4-burner stove with griddle, and a Sub-Zero refrigerator. A Sub-Zero wine fridge adds the perfect touch for entertaining. Pocketing doors seamlessly connect the indoor and outdoor spaces, bringing the beauty of Maui directly into your home.

A Luxurious Lifestyle The property includes 2,700 square feet of covered lanai space, perfect for entertaining or unwinding while enjoying 360-degree views of the Pacific Ocean, neighboring islands, and the West Maui Mountains. Located in Rainbow Alley, this home offers a daily display of Maui's famous rainbows, making it a truly magical setting. The estate is designed for both comfort and security, featuring an ADA-compliant wheelchair ramp for accessibility, as well as a state-of-the-art high-tech security and fire alarm system with multiple cameras for peace of mind. A high-end sound system with speakers throughout the home ensures a seamless audio experience, while individually zoned air conditioning maximizes energy efficiency and savings. The luxurious bathrooms boast marble showers, brass door knobs, and fixtures, while the primary suites on both levels offer ultimate flexibility for multi-generational living or hosting guests.

The Coffee Plantation Advantage This property is located within the renowned Maui Grown Coffee Plantation, where the agricultural component is professionally managed. Owners benefit from profits from coffee sales, which help offset HOA dues and property taxes, while enjoying a reduced agricultural tax basis. The result is a truly turnkey lifestyle with all the charm of plantation living and none of the upkeep.
