Maui Meadows, Maui Meadows, HI

Ocean view .668-acre corner lot in highly desirable Maui Meadows. This location allows you to have a driveway on Kupulau Drive and a separate driveway on Keha Drive so your main house and the ohana unit can have their own access and parking. The result is added privacy for each home. The short video provided here opens with aerial shots from a couple hundred feet above the lot. At the 16 second mark, the camera drops down to about fifteen feet to present what would equate to the second level of your residence. Your ocean view will include a stunning panorama of Kahoŀawe and Molokini! At the 33 second mark, the video drops down to the ground level where your 360-degree view still includes the ocean and Haleakala mountain views. In the hills of Maui Meadows overlooking Wailea, you can build your dream home as well as a separate ohana unit for additional space for friends and family, or to lease out for rental income. With .668 acres, there is also room for a pool to complete your dream home in paradise. Having difficulty finding the right property on Maui? Here's your opportunity to design and build your perfect Valley Isle home.
