Residential on 0.13 Acres

Waikapu Gardens, Wailuku, HI

Majestic West Maui Mountain and Haleakala views from this prime corner lot in Waikapu Gardens, one of Central Maui's most desirable neighborhoods for convenience, schools, and community! This beautifully remodeled four-bedroom home enjoys vaulted ceilings, loads of natural light, and extra sliding glass doors for the ultimate indoor-outdoor lifestyle. Lovingly planted over the years with flourishing fragrant florals and producing fruit trees like citrus, guava, avocado, banana, pomegranate, and mango, the ultra-private backyard is one of the largest in the neighborhood and lives like a serene oasis. Fully fenced and gated, the yard features a bbq & dining patio, outdoor shower, and storage sheds for garden tools and all the water toys! Back inside, the remodeled open kitchen with quartz countertops and stainless steel appliances is the perfect place to prepare home-grown meals. One of the biggest benefits of this floor plan is the ground floor primary suite with a walk-in closet, dual-sink vanity, and spa shower. There's also a separate laundry and storage room on the ground floor, freeing up extra storage space in the garage and room to park a truck! The upstairs bedrooms are a great spot for a surf check due to the North Shore ocean view, and they stay cool on those warmer Maui days from a brand new central AC unit. Split-system AC cools downstairs. This exceptional Wailuku home is easy to show. Call your realtor to schedule a showing today!
