A unique and affordable piece of land with significant Maui history, is now on the market in Haiku. The Railroad once ran across this long narrow 3/4 acre property. The Kahului and Wailuku Railroad opened in 1879, and the railroad line was extended from Kahului into Haiku in 1913. It was the last operating railroad in the state of Hawaii and was decommissioned in 1966. The Mopua entrance portion of this property has a 200 sq ft multi use structure. Relax and daydream about possibilities in the attached covered picnic area. This easily accessible area is a level building site with room for fruit trees and water catchment. Electricity is available. Seller has approved building permit for an Ag storage building of over 400 square feet that will fit within the property set backs. Mopua Rd crosses the lower portion of the property and the Sellers have been in contact with Maui County Public Works about a resolution for creating an easement. Besides an attractive price, Seller is also offering financing to a qualified Buyer.
