Don't miss your chance to own your home in the midst of Kahului Town! This cozy, "Dream City" home was built in 1956 and has been well-maintained by the two previous owners. This recently upgraded property has a lawn in the front of the house and in the enclosed shaded backyard where you will enjoy your days and evenings, in a private setting, under a large shady Hayden mango tree. Split a/c units in each room will keep you cool on warm days and nights. Owners have renovated the home to include quartz counter tops, recessed lighting and large sliding windows. There's lots of room to add on a cottage or expand the existing home. Owners are willing to share the architecture building plans for a 2-story, 2-bedroom ohana drawn for this property. Property to be sold "As-Is".
