You can call this one- the cozy beauty!
Tucked into the well-kept Ka On Ulu Estates subdivision, this 3-bedroom, 2-bath single-family home feels like an enclave of calm surrounded by lush landscaping. Its unique floor plan strikes the perfect balance of spacious and homey, while thoughtful details throughout make it truly stand out. The oval-shaped kitchen design makes serving and entertaining a joy, with attractive cabinets that rise to the ceiling, sleek quartz countertops, and a roomy pantry. The primary suite offers a comfortable retreat with a walk-in shower and walk-in closet, while a dedicated library/office, laundry room, and built-in entertainment center add everyday convenience. Outside, the property shines. The 8,200-sq-ft lot offers a large, private, fully fenced yard and a park-like setting with manicured grounds and fruit trees "including avocado, orange, fig, and perhaps the best mango tree on the island." The spacious covered lanai frames views of the West Maui Mountains, making it the perfect spot to enjoy the island breeze. Practical features include a two-car oversized garage with workspace and storage, plus a photovoltaic system with a rare net-metering arrangement that helps keep utility bills low. Built in 1998, the home has been lovingly maintained. That includes a new roof and new paint job that are just a few months old! This fantastic opportunity sits close to some of Maui's finest golden-sand beaches, the heart of Kihei, and easy access to the highway,

Costco, and the airport. This stand-out home blends comfort, design, and natural beauty ã€” a true island treasure youã€”ll want to call your own.
